Lake View Lodge Rental Service!

Reserving a date: When we receive a \$250 damage deposit, this holds a date. This deposit is returned after the rental so long as there is no damage and the facilities are cleaned to the way they were upon arrival. This damage deposit is not returned if you cancel the rental. You can use the damage deposit to hold another date for up to one year.

The actual rental amount is listed below. Entire rental amount is due by check or cash 30 days prior to rental date. Facilities are for a maximum of 200 guests. Hours are variable, but as a general rule you may set up as early as you would like and stay as late as midnight. Staying after midnight is fine, if required for cleanup.
